Problems of Handloom Weavers

214. SHRI MOHAMMED AMIN : Will the Minister of TEXTILES be pleased to state :

(a) whether Government are aware of the problems of handloom weavers;

(b) if so, what are the details thereof; and

(c) what steps have been taken by Government to redress their pro blems ?

THE MINISTER OF STATE IN THE MINISTRY OF TEXTILES (KUMAPJ SAROJ KHA-PARDE) : (a) Yes, Sir.

(b) The main problems which have been confronting the handloom weavers in the country are rise in prices of cotton yarn and the inability of the handloom sector to market its products due to competition from the powerloom sector.

(c) (i) Government have taken a number of steps to ensure adequate supply of yarn to the handloom sector at reasonable prices, such as Hank Yran Obligation Scheme, Loan Assistance to the National Cooperative Development Corporation for setting up of Weavers' Cooperative Spinning Mills and expansion of capacity in the existing mills to build up captive production for the handloom sector, setting up of the National Handloom Development Corporation (NHDC) with the main aim of supplying yarn to the handloom sector. In addition certain corrective measures have also been taken to check the rise in prices of cotton hank yarn by, *inter-alia,* suspending the export of staple cotton and of hank yarn below 60s counts. Recently a decision has been taken to set up yarn depots by NHDC for supply of hank yarn at competitive prices to handloom weavers.
